Cutoff Trends

How JEE cutoffs changed over 2018–2025

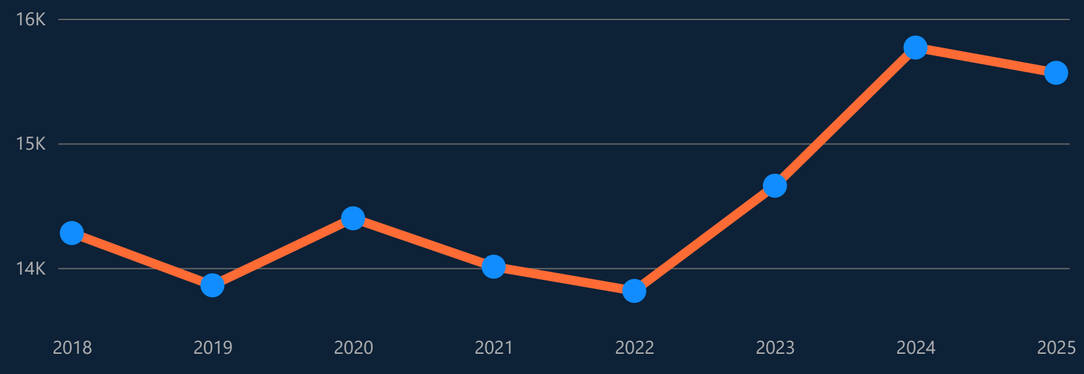

Branch/Program: All

Category: EWS | OPEN | ST | OBC-NCL | SC

Institute Type: GFTI | IIIT | IIT | NIT

Year-wise Closing Rank Trend

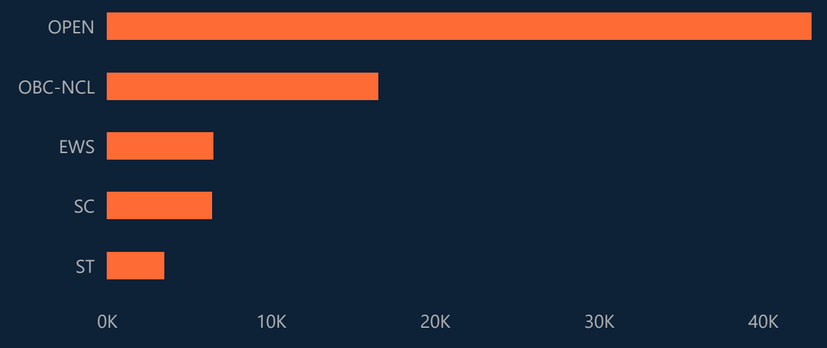

Average closing rank per year (OPEN category)

Average OPEN closing rank was lowest in 2022 — the most competitive year

Category Comparison

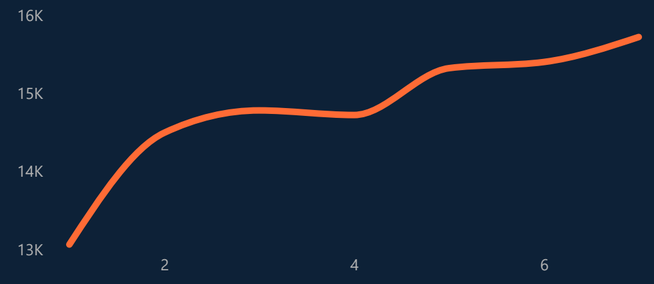

Avg closing rank by category

OPEN closing ranks are over 10x higher than ST

Round-wise Movement

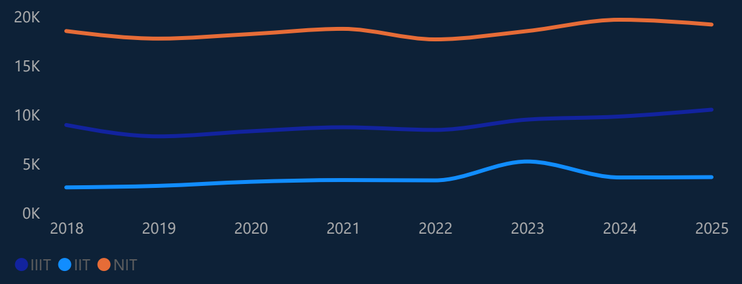

Closing rank per round

Cutoffs relax with each round

IIT vs NIT vs IIIT Trend

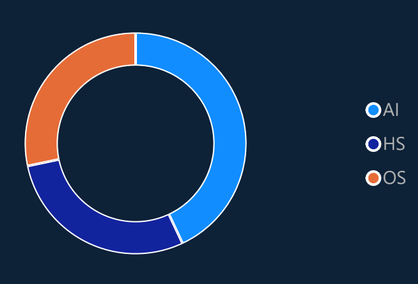

Average closing rank comparison

NIT closing ranks are about 5x higher than IIT

Quota Split

Seats by quota type
